

SUMMER READING ASSIGNMENT

A requirement for all 8th Grade students is to read the book, Nothing But the Truth, by Avi. The following written assignment is due by September 12, 2008.

Write an article entitled, "Student Suspended for Humming" - (who, what, where, when and how form). You, the reader, know the whole story. The end of your article should include your opinion. What do you consider fair? What do you consider unfair? If you make a statement, you must include supporting details. I'm looking forward to a whole lot of entertaining reading.

p.s. There will be other in-class work related to this book. Make sure that you bring a copy back to school with you.
